

The Complete Illustrated Works of Edgar Allan Poe

Famous for his horror stories and brooding poetry, Poe is often considered to be the inventor of the modern detective story, as well. Now, this one marvelously illustrated and popularly priced volume makes it possible to appreciate the full genius of this master of the mysterious and brilliant literary talent. Images, reproduced from a variety of sources (including Aubrey Beardsley, Edouard Manet, and Arthur Rackham) enhance the mood of such favorites as *The Pit and the Pendulum*, *The Fall of the House of Usher*, *The Cask of Amontillado*, *The Tell-Tale Heart*, *The Purloined Letter*, *A Descent into the Maelstrom* and *The Masque of the Red Death*. In addition to those *Tales of Mystery and Imagination*--70 chronicles of terror and fantasy that established Poe as the supreme craftsman of the short story--there is *The Narrative of Arthur Gordon Pym of Nantucket*, Poes only full-length work and a masterful blending of science and romance. Finally, a section devoted to *The Raven and Other Poems* reflects Poes obsession with the macabre.
