

Objects in Mirror Are Closer Than They Appear: A Novel

A New York Times Notable Book of the Year Publishers Weekly Best Book of 1995 Harriet Rose, twenty-six, is an American photographer just winning recognition for her work. A travel fellowship brings her to visit her best friend and former roommate, Anne Gordon, in Switzerland. In an ongoing letter to her boyfriend, Harriet reports on strange developments in Annes life, most notably her affair with a much older married man, which seems to be leading to a disastrous conclusion. Before she can rescue Anne, events take a series of unexpected turns, and Harriet must reexamine her own life and past, and come to terms with the difficulties and possibilities of human relationships.
