

## Be Mine

Be Mine is the fifth book in Rick Mofina's award-winning series. During his years as a crime reporter in San Francisco, Tom Reed had seen a lot of sick messages, but the one just delivered to his fellow reporter Molly Wilson is different -- its shockingly personal, written in human blood. SFPD Homicide Inspector, Walt Sydowski, has grappled with horrific cases but the one confronting him now is unlike anything he's ever faced -- the murder of a fellow detective. As Sydowski works on his most challenging case Tom races to save his career, and Molly. Be Mine is a study in psychological suspense that takes the reader on an unrelenting nail-biting journey into the darkest regions of the SFPD Homicide Detail, The San Francisco Star newsroom and a tormented human heart.
