

One Night Only

Pollys marriage has gone off the boil big time. Her husband ignores her, her children take her for granted and she feels as glamorous as a dirty dishcloth. She needs a break and she needs one now. Gorgeous schoolteacher Tess is under pressure. Her husband wants a baby now. She wants one never. She needs a break and she needs one now. Mousey housewife Gina has had enough. Her life is a misery and she is living on the edge of her nerves with her bullyboy husband Trevor and his bit on the side. She needs a break and she needs one now. When blast from the past, Ruth Monaghan, comes back to live nearby, the ladies meet up and agree to arrange a girly night out. Just one night away from it all - one night to recharge their batteries, to let down their hair and to discover what it really is they want in life. But throw in a raucous stag party, a handsome policeman and a charming man called Marco and these four desperate housewives get a hangover and a whole lot more in a hilarious night out that they will never forget!
