

One Silent Night

Private Daniel Morgan finds himself apart from his wife and young child as he fights a war with a German enemy that he does not understand, but finds that he cannot hate. Miserable, cold, and lonely, Daniel fills his heart with prayer throughout the day for his family, for his country, and for his unknown enemy. As the day of Christmas Eve turns to night, the gentle strains of a Christmas carol, sung in German, are overheard. What happens next is a Christmas miracle. Based on a true story, *One Silent Night* speaks of a rare moment in history when hatred brought about by war is overcome for a brief interlude by the power of brotherly love. This tender Christmas story will become a cherished classic in your home as you share its sweet and simple message of forgiveness and hope with your loved ones.
