

## Key West Connection

When it comes to creating push-the-limits plots and loathsome bad guys (Sarasota Herald-Tribune), Randy Wayne White is a master. This is the New York Times bestselling author at his vintage best violent plunge into the depths of the Gulf Stream as one mans vengeance becomes anothers worst nightmare.... ExNavy SEAL Dusky MacMorgan survived a military hell only to find it again where he least expected it as a fisherman trolling the Gulf Stream in his thirty-foot clipper. His new life is shattered when a psychotic pack of drug runners turns the turquoise waters red with the blood of his beloved family. Trained in the lethal arts, Dusky has only one recourse. Armed with an arsenal so hot it could blow the Florida coast sky-high, hes tracking the goons responsibly right into the intimate circle of a corrupt U.S. Senator iving beyond the law in his own island fortress. It was built for ruthless power and perverse pleasure. Now it has to withstand the force of a one-man hit squad....
