

# Heliopolis

From the critically acclaimed author comes this powerful rags-to-riches story. Born in a shantytown, Ludo leaves, and returns on the opposite side of its social divide. Now he sells unaffordable products to the underclass into which he was born. He has an obsessive love for his adoptive sister, while her husband is his only friend. This is the story of a man whose destiny controls him and takes him to the brink of madness. This recording is unabridged. Typically abridged audiobooks are not more than 60 per cent of the authors work and as low as 30 per cent with characters and plotlines removed.
