

## Piccadilly Jim

Sir Pelham Grenville Wodehouse, KBE (15 October 1881 – 14 February 1975) was a comic writer who enjoyed enormous popular success during a career of more than seventy years and continues to be widely read. Despite the political and social upheavals that occurred during his life, much of which was spent in France and the United States, Wodehouse's main canvas remained that of pre-war English upper-class society, reflecting his birth, education, and youthful writing career. Best known today for the Jeeves and Blandings Castle novels and short stories, Wodehouse was also a playwright and lyricist who was part author and writer of 15 plays and of 250 lyrics for some 30 musical comedies. - Wikipedia
