

Piece of Cake (Cassell Military Paperbacks)

Vivid and unforgettable, this popular novel follows an RAF fighter squadron during the Battle for France and the Battle of Britain. These pilots are real human beings, not two-dimensional heroes. Unconvinced of the wisdom of their leaders, they concentrate only on staying alive and on forgetting their fears of being burned to death in their planes. Some turn to drink, some turn on their compatriots in order to survive, and others score a succession of aerial victories--while acting unforgivably on the ground.
