

Piense y hagase rico / Think and Grow Rich (Spanish Edition)

Es así de sencillo: la riqueza y la realización personal están al alcance de todas aquellas personas que lo deseen; basta simplemente con desvelar un secreto, el secreto del éxito. Hill aprendió este secreto y lo sistematizó para hacerlo accesible a todo el mundo. Así, Piense y hagase rico es una obra diseñada para arrastrar al triunfo, entendido no solo como triunfo económico, sino, sobre todo, como logro de esta íntima satisfacción que permite el equilibrio personal y que significa la base de las empresas más comprometidas... y más deseadas. Esta edición revisada se completa con un Manual para pasar a la acción, una guía personal con la que cada lector podrá aplicar a sus propias necesidades las enseñanzas de la obra.
