

## Ascent of the Aliomenti (Aliomenti Saga)

New to the series? Start with Book 1 (A Question of Will - amazon.com/dp/B009F19JFM) or the box set (The Aliomenti Saga Box Set Books 1-3 - amazon.com/dp/B00GQQU4I).---The Aliomenti village is in ruins, destroyed by one of their own, its population nearly eliminated in the calamity. From the ruins, the Aliomenti rise to international prominence, influencing buyers and sellers, warriors and bureaucrats, as they patiently and invisibly expand their empire. Will Stark serves as the driving force behind that expansion. Whether he is directly creating their innovations or offering subtle hints to others, few of their revolutionary progressions are made without his influence. But Will is dealing with his own private heartache. Even as he watches his fellow Aliomenti ascend to heights few of them imagined possible, his long journey becomes one he must make very much alone. He is also haunted by the knowledge that what enables him to make that journey will also prevent him from seeing his most important mission to its completion. Will must persevere, fighting through his own gloom, an organization that threatens to tear itself apart, and a reunion with old friends at a most inopportune time. And he must come to realize that his own decisions, his own inability to understand even those he knows not to trust, have enabled a tyrant to seize control of the Aliomenti in the aftermath of an explosive crisis.
