

Coming Home

Susan MacKendrick is a top-notch trauma surgeon with a haunting secret. As a young girl she made a decision, and despite her resolve never to look back, a tragic shooting one night reawakens the buried regrets. Now her life is forever changed by two young boys, one with every advantage, the other with none at all. Since he lost his wife in a tragic accident, Dr. Brad Williams has felt his life spiraling out of control. His five daughters are growing up and away from him, and he can only watch helplessly. Some days the only thing that keeps him going is the knowledge that one day he will see his beloved wife again. Then one night, he meets Dr. Susan MacKendrick. With her latest novel, *Coming Home*, best-selling author Jennie Hansen once again creates an intriguing drama for every woman who still believes in love.
