

## Blind Instinct: A Jessica Coran Novel

For nearly a decade, Robert W. Walker has thrilled readers with his acclaimed Instinct series. The novels featuring FBI Medical Examiner Dr. Jessica Coran have been praised as masterful (Clive Cussler) and chilling (Publishers Weekly). Now, for the first time in hardcover, Walker presents a riveting tour de force of suspense -- a thriller about the nature of evil and the rapture of death at the dawn of a new millennium...Dr. Jessica Coran is enlisted by London's elite New Scotland Yard to spearhead the investigation of a grisly series of crucifixion murders. Only Coran, an expert in tracking and capturing serial killers, can provide authorities with the insights to capture this madman -- a psychopath whose intelligence makes him the most chilling villain to appear in print since Hannibal the Cannibal.
