

Raw Fury (Executioner)

When rebels take the students of a Malaysian private school hostage, tensions in the region threaten to explode. In a country filled with unrest and on the verge of civil war, peaceful negotiation is not an option. Mack Bolan is sent in to keep a lid on the uprising and to find a way to free the hostages. Bolan soon discovers that the kidnapping is driven by a powerful ethnic-cleansing group with a deadly political agenda. With the clock ticking down to a mass genocide, Bolan's mission turns into a death trap. The hostage takers may be prepared to kill anyone who stands in their way, but the Executioner is ready to make the ultimate sacrifice while taking down any who attempt to stop him.
