

Recipes & Wooden Spoons (Tales from Grace Chapel Inn, Book 2)

While cleaning out the cluttered basement of Grace Chapel Inn, Jane Howard finds an old cookbook brimming with her mother's recipes and handwritten notes. Jane has always been hungry for details about her mother, Madeleine, who died while giving birth to Jane. Through the precious, fragile pages of the recipe book, Jane comes to discover the spirit of the mother she never had the chance to know. And she comes to better understand her relationship with her two older sisters. But when the inn gets busy and money troubles threaten, Jane wonders if moving back to Acorn Hill was a big mistake. Her crisis of faith leads to new questions and solutions for the inn--and for Jane herself. This lively and engaging story will have readers excitedly waiting for the next title in the series, so they can learn more about the endearing Howard sisters.
