

Red Box

A lovely woman is dead, and the fortunes of overextended theatrical producer Llewellyn Frost depend on solving the mystery of the red box: two pounds of candied fruits, nuts and creams, covered with chocolate -- and laced with potassium cyanide. When Nero Wolfe's suspicion falls on Frost's kissing cousin, Frost wants the detective to kill the sickly sweet case--before it kills him. It is always a treat to read a Nero Wolfe mystery. The man has entered our folklore. (The New York Times)
