

## Reservation Road

A tragic accident sets in motion a cycle of violence and retribution in John Burnham Schwartzs riveting novel Reservation Road. Two haunted men and their families are engulfed by the emotions surrounding the unexpected and horrendous death of ten-year-old Josh in a hit and run accident. Ethan, a respected professor of literature at a small New England college and father of Josh, is wracked by an obsession with revenge that threatens to tear his family apart. Dwight, a man at once fleeing his crime and hoping to get caught, wrestles with the overwhelming guilt and his sense of obligation to his own son, Sam. As these two mens lives unravel, Reservation Road moves to its startling conclusion. This is an astonishing tale of love and loss, rage and redemption, that is as suspenseful as it is emotionally compelling.
