

## The Secret of Happy Ever After

When story-lover Anna takes over Longhamptons bookshop, its her dream come true. And not just because it gets her away from her three rowdy stepchildren and their hyperactive Dalmatian. Unpacking boxes filled with childhood classics, Anna cant shake the feeling that maybe her own fairytale ending isnt all that shed hoped for. But, as the stories of love, adventure, secret gardens, lost dogs, wicked witches and giant peaches breathe new life into the neglected shop, Anna and her customers get swept up in the magic too. Even Annas best friend Michelle - who categorically doesnt believe in true love and handsome princes - isnt immune. But when secrets from Michelles own childhood come back to haunt her, and disaster threatens Annas home, will the wisdom and charm of the stories in the bookshop help the two friends - and those they love - find their own happy ever afters?
