

Rites of War: A Novel of Crisis and Combat at Sea

The Yellow Sea. A German U-boat destroys a North Korean submarine then attacks a U.S. command ship. The plan works; America and North Korea hold each other accountable. As warships converge across the globe, the command of the USS Ramage falls into the hands of Jerusha Bailey. Bailey, however, senses a hidden strategy behind the attacks. And now, she alone must go one-on-one with the brilliant commander of a German U-boat and prevent full-scale war. (Fiction--Espionage/Thriller) .
