

Romancing the Dead

Im on top of the world. The Vatican witch hunters think Im dead, the FBI has closed my file, I might get to buy the occult bookstore I manage, Im cofounding a brand-new coven - and the vampire I love has just proposed. How lucky can a girl get? Wait... Oh, drat. Ive jinxed myself. My fiance, Sebastian, is missing and Im worried sick. Has he been kidnapped? Or could he have run off with that leggy blonde from the coven? Now Ill have to seek the help of my future stepson - the same brat who once turned me over to the witch hunters, all for a pimped-out Jag. Plus, the Goddess Lilith, who camps out in my body, has been making embarrassing appearances. Now, all I need is some crazy shape-shifting killer on my tail. Hold on... Double drat.
