The Rockin Security team is called into action. Spike and his partner, Suzanne, travel to Chicago to investigate the case, only to find that no one wants to talk. As Spike digs deeper, he begins to unearth a lode of deadly secrets involving sex, psychedelic drugs, and, of course, rock n roll. And it isn't long before the private detective becomes a pawn in a very dangerous game. A terrific page-turner by one of the best thriller writers in the business! --David Morrell, author of FIRST BLOOD
