

## Ace of Spades : File 52

The British are pulling out of Afghanistan. MI5 and the CIA will lose control of the opium fields to the Taliban. Stan has been told to ensure this does not happen. The Major is about to leave the Army. After over 22 years in the service from boy to man, what will he do when he leaves. Stan visits him in his office in Afghanistan. Stan has a proposal. Within in months the Major has gone rogue. Stan needs to reel him back under control. Stan recruits another soldier, a close friend of the Majors from an East End Estate in London. Can Stan bring the Major under control.
