

Manhattan Sweetheart

Meet Persephone Love. Shes beautiful, smart, talented, stylish, and popular. In a word: perfect. Persephones got a bright future ahead of her and the world at her fingertips--and she knows it. And Bash Hart is in love with her. In fact, hes been in love with Persephone since they first met. Bash knows shes out of his league, but that isnt going to stop him from trying his best to win her heart. The two share a special connection--Bash can feel it--and hes willing to do whatever it takes to make her see that he is the man for her. And when true natures are revealed and dark secrets come to light, Bash is even more determined to win Persephones affections. Funny, romantic, intriguing, and highly entertaining, MANHATTAN SWEETHEART finds author Jay Fingers in top form as he delivers yet another witty, insightful, and playfully observant look at the beautiful people of New York City.
