

Ahabs Wife: Or, the Star Gazer

A magnificent, vast, and enthralling saga, Sena Jeter Naslunds Ahabs Wife is a remarkable epic spanning a rich, eventful, and dramatic life. Inspired by a brief passage in Moby Dick, it is the story of Una, exiled as a child to live in a lighthouse, removed from the physical and emotional abuse of a religion-mad father. It is the romantic adventure of a young woman setting sail in a cabin boys disguise to encounter darkness, wonder, and catastrophe; the story of a devoted wife who witnesses her husbands destruction by obsession and madness. Ultimately it is the powerful and moving story of a womans triumph over tragedy and loss through her courage, creativity, and intelligence.
