

Castration Celebration

Its High School Musical rated R! When the girl who's sworn off men meets the boy who's devoted himself to picking up women, there's bound to be drama perfect for a six-week summer program devoted to the arts. Olivia's summer goal: to write a musical that censures men with wandering eyes. Max's summer goal: to hone his acting skills, along with his talent for attracting the ladies. Before camp is over, they'll perform Olivia's musical on stage and in real life, though the ending may turn out differently than either expects. Jake Wizner's story within a story takes the battle of the sexes to a whole new level in a bawdy, uproarious romp that's laugh-out-loud fun. From the Hardcover edition.
