

## Shinar 54

Jona McCracken is a broken ex-Marine with PTSD and a host of other personal issues. He stumbles upon a website promising relief from all his ills. The only catch is that he must immigrate to Shinar 54, a utopian city in the Nevada desert to obtain the wonder cure and to meet Lisa, his enchanting recruiter. Shinar is the enclosed haven for millions of people who have overcome sickness and pain. The outside world believes Shinar is a powerful and dangerous doomsday cult. Shinar prepares its people for the next life with a singularity of purpose that impoverishes the United States and sets the two nations on a collision course. As the political and economic tensions ratchet up, the world spirals down into an epidemic of fear, bigotry, and propaganda. World war is imminent. Jona and Lisa find themselves in the middle of it. Marco Franco, Jonas' friend and confidant, is on his own mission to rescue his younger sister from certain death. Can he do it through intrigue and alliances? Set in the not-too-distant future, Shinar 54 is a story of conflict between good and evil, truth and lies, and the clash of opposing values. Ultimately, it is a tale of renewal, redemption, and reconciliation.
