

Sing Your Heart Out (Sinful Serenade)

Still a virgin at twenty-one, Meg Smart walks a straight and narrow path. She acs her classes, excels at her part-time job, and carefully avoids trouble-no drinks, no drugs, and especially no boyfriends. Rock star Miles Webb doesnt do boyfriend. He skips over intimacy and love in favor of easy distraction-a beautiful woman under him, screaming his name. Meg is drawn to the pain in Miles gorgeous, tortured voice. But the man she hears on the radio is nothing like the player she meets at a mutual friends house party. When she walks in on one of his trysts, shes embarrassed enough to die. His merciless teasing leaves her blushed and frustrated, but shes intrigued by his wit, his confidence, and his casual offer to give her a night shell never forget. Contains mature themes.
