

Sister of the Dead (The Noble Dead)

The Noble Dead saga continues as Magiere and Leesil, the slayers of the undead for DHAMPIR and THIEF OF LIVES, embark on a quest to uncover the secrets of their mysterious origins - and those responsible for orchestrating the events that brought them together.... Magiere is a dhampir - half human, half vampire - sired for the purpose of slaying the undead. Outside the village of Chemestuk, where she was born and raised, stands her fathers keep. Within its walls, she hopes to discover the secrets of her past and figure out why a vampire would wish to breed a creature capable of slaughtering his own kind.... But there are those who dont want Magiere to learn the truth and when her half-elf partner, Leesil, makes a startling discovery in the keep, he can understand why. Before Leesil can reveal the truth to Magiere, they must vanquish a creature of unimaginable and unlimited power who has damned a small village of people with a horrifying curse...
