

Skytrain to Murder

Skytrain to Murder is a detective novel set in Bangkok. An American detective and scuba diving teacher chases a murderer through Bangkok's seedy underbelly including dangerous slums, high class gentlemen clubs and a house of domination. His Thai girlfriend is a martial arts expert (in muay-Thai) and assists him in rescuing a young girl from slum gangs even while the detective suspects she may in fact be the murderer. Cover will have praise from well known novelists in the mystery field.
