

## Last Chance Saloon

Im in the Last Chance Saloon. In my decrepit, thirty-one-year-old state, Id probably never get another man ... Tara, Katherine and Fenton have been best friends since they were teenagers. Now in their early thirties, theyve been living it up in London for ten years. But what have they got to show for it? Sure, Taras got her boyfriend - but she loves retail therapy so much more. Katherine, on the other hand, is a serial singleton whose neatness fetish wont let a man mess up her life. And Fenton? Well, Fenton has everything. Until he gets ill and he has to ask himself: what have you got if you havent got your health? All three are drinking in the last chance saloon and theyre about to discover that if you dont change your life, life has a way of changing you...
