

Social Psychology 8e + Readings in Social Psychology: The Art and Science of Research

Distinguished by its current-events emphasis, strong diversity coverage, and engaging connections drawn between social psychology and students everyday lives, Social Psychology, Eighth Edition, remains one of the most scholarly and well-written texts in its field. Integrating classic and contemporary research, the text also includes comprehensive coverage of social cognition and evolutionary psychology, and features authoritative material on social psychology and the law. For this edition, Saul Kassin and Steven Fein welcome Hazel Rose Markus to the author team. In addition, coverage of culture and diversity are integrated into every chapter by Hazel Rose Markus, a leader and respected researcher in the study of cultural psychology.
