

## Brother

Will: How many times do I have to say it? Yes, I see the picture. Its a body, obviously. Its a dead body. Asheley: You have to understand, I love my brother. Im scared of him too, but ...regardless of what he has or hasnt done, I feel for him, you know. Will: I dont care what happens to me, really, I dont. But Asheley ...she had nothing to do with any of this. Asheley: Its not like it sounds. He had a good heart. He trusted me. And I always did the best I could to help him. Will: Its not her fault. None of it. Okay then. The guy in the photo. I killed him ...but I had to. I had no choice. Why? Thats complicated. Thatll take a while.
