

Soul Stories

Writing with profound psychological and spiritual insight, prize-winning author Gary Zukav has had a major impact on the consciousness of our entire generation. His number-one national bestseller, *The Seat of the Soul*, has been a life-changing experience for millions of Americans. In *Soul Stories*, Gary Zukav shows how this new understanding of power -- authentic power -- transforms lives in countless ways. Here too, is the story of Zukav's own personal evolution. He writes openly and intimately about periods of his life when he felt jealousy, competitiveness, fear, anger, and about how his understanding of these emotions changed with his awakening consciousness and recognition of a Universe that is alive and compassionate. *Soul Stories* is filled with marvelous true stories that show how intuition, harmony, sharing, and forgiveness actually express themselves in people's lives. Best of all, the stories lead to practical advice on how you can discover your own *Soul Stories* and the truths they reveal about the deepest sources of your being.
