

## The Call of the Wild

The Call of the Wild is considered to be one Jack Londons greatest novels. During the Yukon Gold Rush of the late 19th century London traveled there to strike it rich. While he didnt find any gold he came away with the experiences that would inspire some of his greatest writing. The Call of the Wild, one of the greatest examples of this inspiration, is an exciting tale of adventure set in the great frozen north of the Yukon wilderness.
