Cats Eye

Controversial painter Elaine Risley returns from Vancouver for a retrospective of her work. Here, in Toronto, the city of her youth, she confronts the submerged layers of her past her unconventional family, her eccentric and brilliant brother, self-righteous Mrs. Smeath, and the two men Elaine later came to love in diverse and sometimes disastrous ways. But it is the enigmatic Cordelia, once her tormentor, then her best friend, whose elusive yet powerful presence in her life Elaine finally comes to understand. The realm of childhood and growing up, with its secrecies, cruelties, betrayals, and terrors, has never been so brilliantly evoked. By disquieting, turns humorous, compassionate, haunting and mordant, Cats Eye is vintage Atwood. From the Hardcover edition.
