

## Bad Girls Finish First

With law school behind her, this sexy, sinful seductress has graduated to bigger--and badder--things... Raven Holloway has gone from heartbreaker to bona fide homewrecker. No sooner did she extract herself from a messy, not to mention illegal situation at school, than she managed to steal a Texas Senator from his devoted wife. But shes just getting started...

Having convinced her new husband to run for governor--which will make her Texas First Lady--nothings going to stop Raven from getting what she wants, no matter who she has to step on, sleep with, or double cross. Its a long chain of fools that includes the senators very own chief aide--a man with plenty to hide.... Her pathway to success strewn with seductions, betrayals, and bribes, the future looks bright--except for the troubling matter of Ravens past. Her greatest fear is that her involvement in the unfortunate fate of her fellow student, ex-lover and partner-in-crime, Omar Faxton, will be discovered. And shes right to worry, because her dirty little secret is about to fall into the worst possible hands...
