

## The Warlord

1927 Post-Imperial China The Great War has left scars behind, marking the world even a decade after its conclusion. In China, men of British, American, German, Italian, French, and Japanese origin flood into a land recently freed from centuries of Imperial rule, seeing a chance to make a profit and escape the darkness that recently shrouded the world. Unlike many of his American countrymen, Philip Embree has not come to China for money, but to spread Christianity and the word of God. But when the train on which the young missionary is travelling is hijacked by bandits, he finds himself thrust into a world that he could never have imagined. Caught up in the countrys surging of power, passion, and betrayal, Embrees future becomes inextricably involved in that of General Tang a great warlord who protects the family of the Kong patriarch in the city of Qufu. Tangs military needs put him in contact with gunrunner Erich Luckner, a handsome blond German whose time in Russia first as a prisoner of war, and later as a soldier for Czarist forces has damaged him in ways that most can never imagine. The lives of these three men, and their love for Vera, tangle together as unrest ripples across China, power shifting from the hands of one warlord to the next. And in the wings, a young Mao Tse-tung, dismissed by his countrymen as an insignificant figure, is gathering an army. The splendor, the violence and the passion of Post-Imperial China is brought to life in *The Warlord*. Not since *Shogun* has a western novelist so succeeded in capturing the essence of Asia- *The New York Times Book Review* Malcolm Joseph Bosse (19262002) was an American author of both young adult and adult novels. He was born in Detroit, Michigan, and is a graduate of Yale University. He served in the US Navy and was also an English teacher in City College of New York in Manhattan. His novels are often set in

Asia, and have been praised for their cultural and historical information relating to the characters adventures. Bosse mostly wrote historical fiction after the publication of The Warlord, which quickly became a bestseller. He also won the Deutscher Jugendliteraturpreis in 1983. Endeavour Press is the UKs leading independent digital publisher. For more information on our titles please sign up to our newsletter at [www.endeavourpress.com](http://www.endeavourpress.com). Each week you will receive updates on free and discounted ebooks. Follow us on Twitter: @EndeavourPress and on Facebook via <http://on.fb.me/1HweQV7>. We are always interested in hearing from our readers. Endeavour Press believes that the future is now.
