

## Tanners Law

Tanner Bland leaves his Virginia home on foot to fight for Dixie and rides back on a fine horse. Most folks would call that a profit - until they consider his loss. Thinking him dead, his intended marries his brother shortly before Tanner returns home. With no desire to remain in Virginia, Tanner heads west to join an old army pal. The two friends are destined for a world of trouble in the form of the Leach brothers in the untamed Montana Territory.
