

Turn of the Screw & the Aspern Papers (Wordsworth Classics) (Classics Library (NTC))

Introduction and Notes by Dr Claire Seymour, University of Kent at Canterbury. The Turn of the Screw is the classic ghost story for which James is most remembered. Set in a country house, it is a chilling tale of the supernatural. The Aspern Papers is a tale of Americans in Europe, cleverly evoking the drama of comedie humaine against the settings of a Venetian palace.
