

The Ballad of Peckham Rye

When the firm of Meadows, Meade & Grindley hires Dougal Douglas (a.k.a. Douglas Dougal) to do human research into the private lives of its workforce, they are in no way prepared for the mayhem, mutiny, and murder he will stir up. In fact, this Music Man of the thoroughly modern corporation changes the lives of all the eccentric characters he meets, from Miss Merle Coverdale, head of the typing pool, to V. R. Druce, unsuspecting Managing Director.
