Shipping and Handled follows Martin White, a Western New York native who follows his girlfriend Jennifer to Santa Monica, California. While finally adjusting to the change with his quiet pottery lifestyle he finds peace by accidentally attending a yoga class on the beach one morning. But Martin soon has to deal with the wreckage of an unexpected bombing of his peace. Martin finds that maybe what he had was not what he needed in his life. Jennifer, meanwhile has to deal with guilt, remorse and Martins reactions.
