

## The Bishops Daughter

Darrin Bainbridge is your typical playboy in need of love, but not yet ready. He is a freelance journalist trying to break his big story. After a visit from his mother, Darrin gets an idea. He has heard all kinds of stories about Hollywood ministers who hold their church services on television, live in nice houses, drive nice cars, and have lots of money and women. Darrin is disgusted by it all especially when his mother Priscilla starts shouting praises for Atlanta Bishop Kumal Prentiss. Darrin decides to go to Atlanta, become a member of the bishops church, and expose him for the hustling fraud that he believes he is. He just never planned on falling in love with the Bishops daughter. Darrin suddenly finds himself torn between his new found friend and his possible big break.
