

The Butterfly Cabinet

A story of a secret that refused to be forgotten. When Maddie McGlade, a former nanny receives a letter from Anna, the last of her charges, she realises that the time has come to unburden herself of a secret. It is the story of the last day in the life of Charlotte Ormond, the four year old only daughter of the big house where Maddie was employed. The Butterfly Cabinet also reveals the thoughts of Charlottes mother, Harriet, a proud woman. Whos great passion is collecting butterflies; motherhood comes no more easily to her than does her role of mistress of a far-flung Irish estate.
