

## The Conqueror (Isis General Fiction)

William the Bastard, base-born son of the Duke of Normandy, must fight the King of France to regain his Duchy. Spurned in love by the lovely Princess Matilda, the fighting Duke dares to take a whip to her in her own fathers palace, before making her his bride. Thwarted by the Saxon Earl, Harold, of a promise of the throne of England, William the Conqueror sails to Hastings to claim the Kings crown and sceptre for his own.
