

Mistress of Dragons (The Dragonvarld, Book 1)

From Margaret Weis, The New York Times bestselling co-author of the Dragonlance, Dark Sword, and Deathgate series, comes her first solo fantasy novel set in an all-new, sure-to-be-bestselling world, the Dragonvald. *Mistress of Dragons*, Book 1 of The Dragonvald Trilogy is a tale of world-building, magic, and political intrigue where the uneasy balance of power between dragons and humans is about to become undone. For ages dragons have interfered in the ways of humans, their wrath held at bay by the Amazonian order of priestesses and their mysterious Mistress of Dragons. But now the order has come undone, violated by men, and a mad scramble of intrigue, magic, and lineage ensues . . . revealing the dark secret behind the arcane Parliament of Dragons.
