

## The Ezekiel Option (Political Thrillers Option #3)

When Russias richest oil baron is killed, Moscow suddenly teeters on the verge of political chaos. Tehran races to complete its nuclear arsenal. Washington finds herself dangerously divided from her European allies. A new evil looms on the horizon. A dictator is rising in Russia. Iran is feverishly building nuclear weapons. A new axis of evil is emerging, led by Moscow and Tehran. And Jon Bennett and Erin McCoy, two senior White House advisors, find themselves facing the most chilling question of their lives: is the world rushing to the brink of an apocalypse prophesied more than 2,500 years ago? If you only read one book this year...this is it! ?Rush Limbaugh, New York Times bestselling author
