

The Fifty-Year Sword

From National Book Award finalist and one of the USAs most revered cult writers, The Fifty Year Sword is an explosive and thrilling ghost story. A local seamstress named Chintana finds herself responsible for five orphans on her birthday. The children are captivated by the storyteller who arrives and tells a tale of vengeance and produces a long black box he sets before them. As midnight approaches, the box is opened, a fateful dare is made, and the children as well as Chintana come face to face with the consequences of a malice retold and now foretold.
