

Gates of Zion (Zion Chronicles, Bk. 1.)

Out of the Ashes of the Holocaust, a Magnificent Novel of Indomitable Courage and Hope Ellie, a young American photojournalist, finds herself in the Jerusalem of 1947. She unwittingly becomes a pawn in a political chess game when she photographs some ancient scrolls discovered by Bedouins. David seems to love her dearly, but Moshe has a purpose and commitment in life that intrigues her more than she can say. Through it all, Ellie discovers a people, a spirit and a person who profoundly change the direction of her life. This first book in THE ZION CHRONICLES vividly portrays the intense struggle of the Jewish people in the aftermath of the Holocaust and the forces, within and without, which engulf the Middle East in conflict and controversy even today.
