

The Green Hornet Chronicles Signed Limited Slipcase Edition

Moonstone presents The Green Hornet Chronicles, the first anthology featuring all-new, original fiction tales of the man who hunts the biggest of all game public enemies that even the FBI cant reach! In police records, The Green Hornet is a wanted criminal, a master manipulator, a crime boss who has his fingers in every pie. In reality, The Green Hornet is actually Britt Reid, owner-publisher of the Daily Sentinel. His goal: to destroy crime from within by posing as a criminal himself! This limited edition collection features bonus material including Harlan Ellisons liner notes on his Green Hornet/Phantom team-up story and Anthony Tollins prose adaptation of the only-played-once origin of The Green Hornet radio episode!
