To save her sister, she must stop a silent killer. . . . Ash makes humans the perfect vessels for possession, and something or someone is leading them to their deaths. Charlie is desperate to save her addicted sister, Bryn, from a similar fate. As New Years Eve approaches and time runs out, Charlie makes a deadly bargain with an ancient race of beings and embarks on a dangerous journey into hellish Charbydon with Hank and the Revenant Rex to save Bryn and make it back before its too late. Only, for one of them, coming home means facing a fate worse than death. . . .
